

# BOOK YOUR NEXT RETREAT WITH FULL ARMOR!

## THIS CHRISTIAN ROCK BAND IS MORE THAN JUST MUSIC!

*Combining music and ministry, Full Armor seeks to inspire people to deepen their relationship with God on RETREATS*

*A typical retreat will consist of dynamic talks, band member witnesses, lively music, and fun activities!*

*Participants will leave with a **greater understanding** of the relationship God calls us to share with him.*

*A great way to **ignite** the faith in young Catholics!*

“Full Armor’s music and ministry is about *interacting* with youth.

It’s a *direct response* to the *new evangelization*.

It’s taking something that is modern, taking the Gospel and the teachings of the Church and *bringing* it to young people.”
